

Kilmacud Crokes Mini All Irelands Parent Code of Conduct

- 1) Positive Encouragement... only
- 2) Get your child to the games 20 mins in advance of the games. All our match details are published on the website.
- 3) Put your hand up to volunteer in some capacity. It is a great opportunity for those not directly involved in teams to lend a hand.
- 4) Accept the traffic restrictions and kindly respect the gates attendants that are put in place to increase child safety.
- 5) Do not disturb the team managers that have volunteered their time and are only doing their best.
- 6) Respect the referees... always. We need to develop as many referees as we can.
- 7) Respect the pitch coordinator's instructions and accept the spectator free zones between pitches. We are tight on space and our managers need the freedom to manage their teams.
- 8) Accept the results. It is not the All-Ireland Final even though our kids believe it is bigger.
- 9) Keep dogs off the pitches during the games. We have many cart wheelers among our members.
- 10) Keep alcohol consumption to within the bar and not while spectating the games.
- 11) Help us tidy up at night. We have visiting teams for go games first thing on Saturday mornings. We want to leave it as we found it.
- 12) Stay behind on Friday and enjoy the festivities at the club house.
- 13) Engage with our generous sponsors.
